The appellation

Monthélie is derived from the Latin term "Monticulus" - hill, small mountain, mound. Located on the hillside, "Les Plantes" sits on a very stony and shallow soil, poor in organic matter, which translates into a very fine, fresh and delicate wine. We generally keep over 50% whole clusters because we enjoy the spice and floral notes it develops alongside nice minerality.

The wine and the style

Today's style remains faithful to Hubert's classic and terroir-driven approach, with greater aromatic expression, silkier and more unctuous textures in the reds, allowing them to drink earlier, without compromising their ability to age. The domaine is known in Burgundy for using a significant proportion of whole clusters that varies from one to cuvée to another depending on the plant material and the vintage.

Vine growing

Organic since 1995 and biodynamic since 2005. All our wines are certified by Ecocert.

The vintage

2022 embraces both quality and generosity, and reveals a vibrant and incredibly seductive profile with crunchy fruitiness.

Autumn and winter are mild with temperatures already higher than normal for the season and low rainfall. Temperatures continue to rise as months go by, reaching new heights with no less than four heatwave episodes but thankfully, although rare, the rains are sufficient and the vine keeps growing in the best possible conditions. The harvest begins in the last week of August. The hot and dry weather help limit the number of treatments to twice, three times less than the year before. The grapes are healthy, impeccable and the desired balance is there thanks to the light showers that fell in mid-August.
